PROFESSIONAL SUMMARY

Computer Science and Engineering (Data Science) student with Python as my primary programming language and a strong interest in Prompt Engineering, Generative AI, and AI-assisted software development. I enjoy turning ideas into functional web applications by defining requirements, writing structured prompts, and iterating with AI coding agents through testing, debugging, and refinement.

EDUCATION

- **Bachelor of Technology — Computer Science and Engineering (Data Science)** 2023 – 2027
G. Pulla Reddy Engineering College | CGPA: 8.1/10
- **Class XII** 2021 – 2023
Narayana Junior College, Anantapur | Score: 94.8%
- **Class X** 2020 – 2021
Rao's EM High School, Anantapur | Score: 100%

EXPERIENCE

- **AI & Cyber Security Intern — Indian Servers Pvt. Ltd.** May 2026 – Jun 2026
 - Participated in a project-oriented AI and cybersecurity training program, working through structured, hands-on learning modules.
 - Developed Volt Sensei as a project during the internship, using an AI-assisted development workflow to build and test the application.

SKILLS & INTERESTS

- **Programming:** Python
- **Frontend:** HTML, CSS, React.js
- **Database:** MySQL
- **AI & Data:** Generative AI, Prompt Engineering, Data Visualization
- **Tools:** VS Code, Git, GitHub, Power BI
- **Interests:** Prompt Engineering, AI-Assisted Software Development, Generative AI, Software/Product Development

PROJECTS

- **Volt Sensei — AI-Assisted JEE Learning Web App** May 2026
 - Created the concept and features for a JEE learning web application with quizzes and progress tracking.
 - Used structured prompts with AI coding agents to assist in developing the application.
 - Tested and refined features through iterative feedback and improvements.
- **ResumeForge — AI-Assisted Resume Builder & Analyzer** July 2026
 - Designed a resume builder and analyzer to help students create and improve resumes.
 - Used AI coding agents to assist with resume creation, editing, and analysis features.
 - Tested and refined the application through iterative prompting and improvements.

EXTRA-CURRICULAR ACTIVITIES & CERTIFICATIONS

- Python — Spoken Tutorial, IIT Bombay
- HTML — Spoken Tutorial, IIT Bombay
- Prompt Engineering for Developers — Infosys Springboard
